Dear Mr. Matsumoto:

I wish to express my sincere appreciation for your attendance at our recent Community Conference at Dynasty Plaza.

It is very important to Mayor Whitmire and to the success of our neighborhoods that you are involved and taking such a prominent role in that success.

If you ever have questions or concerns, please contact Marlana Mitchell of our Citizens' Assistance Office at 247-1888.

Again, we were very happy to see you at our meeting.

Best regards,
